Multiple Tenure-Track Faculty Positions

Industrial Engineering and Engineering Management

The Department of Industrial Engineering and Engineering Management (IEEM) at the American University of Beirut – Mediterraneo (AUB Mediterraneo) invites applications for multiple tenure-track positions. The IEEM Department at AUB Mediterraneo, a twin campus of the American University of Beirut in Beirut, Lebanon, offers one undergraduate program in industrial engineering and one graduate program in engineering management.

Applicants from all research areas related to industrial engineering and engineering management will be considered. Applicants should hold a PhD degree in industrial engineering or a closely related field with at least one degree in engineering by the date of appointment. Preferred research areas include operations research, data science, human factors engineering, project management, healthcare, sustainable operations, and the circular economy.

Candidates with teaching experience, industrial or post-doctoral appointments, and a record of grant funding and scholarly publications are particularly encouraged to apply. Applicants interested in visiting positions are also encouraged. Applications should include a letter of interest, statements of teaching and research interests, CV, and the names and contact details of at least three references.

The application should be sent by email to recruitment@aubmed.ac.cy and addressed to the Dean, Faculty of Engineering, AUB Mediterraneo, Neophytou Nikolaides 65, Pafos, Cyprus.

Consideration of received applications will begin on December 15, 2023, and will continue until the positions are filled. The expected start date is August 2024. Salary will be commensurate with experience and qualifications. The American University of Beirut –
