Diplomatic Route

If the country of origin has not ratified the Apostille Convention, the documents need to be certified as follows:

- If there is an accredited diplomatic/consular authority of the Republic of Cyprus in that country:
 - Certification of the document by the Ministry of Foreign Affairs of the issuing country;
 - Certification of the signature of the official of the Ministry of Foreign Affairs of the issuing country by the diplomatic/consular authority of the Republic of Cyprus based in that country; and
 - Certification of the signature of the official of the specific diplomatic/consular authority of the Republic of Cyprus by the competent Department of the Ministry of Foreign Affairs of the Republic of Cyprus. (AUB Mediterraneo will take care of this step.)

- If there is no accredited diplomatic/consular authority of the Republic of Cyprus in that country:
 - Certification of the document by the Ministry of Foreign Affairs of the issuing country;
 - Certification of the signature of the official of the Ministry of Foreign Affairs of the issuing country by a diplomatic/consular authority of the issuing country in a third country;
 - Certification of the signature of the official of the specific foreign diplomatic/consular authority by an official of the diplomatic/consular authority of the Republic of Cyprus in the specific third country; and
 - Certification of the signature of the official of the diplomatic/consular authority of the Republic of Cyprus in the specific third country by the competent Department of the Ministry of Foreign Affairs of the Republic. (AUB Mediterraneo will take care of this step).

Public documents from Russia and/or Serbia do not require legalization by apostille or otherwise, pursuant to bilateral treaties.
