

Did you successfully complete Module 1?

Continue your learning journey with Module 2.

Register below for session 1& 2 of Module two to learn that innovation doesn't happen in isolation; it thrives through openness, collaboration, and knowledge exchange.

From this module, you will explore the foundations of innovation and the transition from traditional "closed" models to Open Innovation. Once completed both sessions you will gain knowledge how organizations can leverage external ideas, technologies, and partnerships to accelerate growth and creativity
