IN PAFOS, CYPRUS

WHO WE ARE

AN ACCREDITED UNIVERSITY IN EUROPE OFFERING AN AMERICAN LIBERAL ARTS MODEL OF HIGHER EDUCATION

Critical thinking. Learning across disciplines. Real-world readiness.

- Approved by the **Middle States Commission on Higher Education (MSCHE) as a branch campus of the American University of Beirut**, founded in 1866.
- Arts and Sciences and Business degree programs are registered with the **New York State Education Department (NYSED)** and recognized in the United States; engineering programs are in final review.
- **Accredited in Europe & Cyprus** through the Cyprus Agency of Quality Assurance and Accreditation in Higher Education (CYQAA).
- Business programs accredited by **AACSB International**, and by **EQUIS** — first in Cyprus.

GRADUATE APPLICATION DEADLINE

Apply for fall 2027 starting Aug 2026 (non-binding & free), and check aubmed.ac.cy for deadlines.

GRADUATE ADMISSION REQUIREMENTS

- **Official transcripts** from all institutions attended, providing a complete record of study
- **Resume or CV**
- **English language proficiency** (upon admission and prior to matriculation)
- **Statement of purpose**
- **Admission Application**

ENGLISH LANGUAGE REQUIREMENT *

Master's applicants can demonstrate English language proficiency by achieving the minimum and valid score (see below) on one of the following tests:

Criteria:
All graduate applicants are requested to demonstrate English language proficiency as soon as possible after receiving their admission decision from AUB Mediterraneo.

Test	Minimum Score	Validity
TOEFL iBT	97 or 5 (2026 CEFR scale)	2 years
IELTS (Academic)	7 (taken at a test center)	2 years
GRE (Verbal)	147 (taken at a test center)	5 years
GMAT (Verbal)	25 (taken at a test center)	5 years

Exemptions: Some Graduate applicants might be exempted from the English Language Requirements. Please check our website for more details: **Graduate Admissions.**

* The GRE and GMAT exams are not a requirement for graduate admission. These exams may be used to meet the English language proficiency requirement.

SCHOLARSHIPS & FINANCIAL AID

Financial need is not a factor in the admission decision. Scholarships are **valid for the duration of study** as long as the student is in good academic standing. **Scholarships and financial aid may be combined.**

GRADUATE SCHOLARSHIP

Up to 100% of tuition for graduate students with outstanding academic or research records.

ALUMNI SCHOLARSHIP

Up to 10% of tuition for students who graduated from the American University of Beirut.

INAUGURAL COHORTS SCHOLARSHIP

20% for students enrolling in fall 2027 or spring 2028.

AUB EUROPE SCHOLARSHIP

10% for students graduating from high schools or universities in the EU, EEA, UK, or Switzerland, or for nationals of these regions. Students meeting both criteria will receive **20%**.

FINANCIAL AID, NEED-BASED GRANT

Up to 50% of tuition, based on financial need. To be considered, a financial aid application must be submitted along with the admission application.

GRADUATE DEGREE PROGRAMS

MASTER OF SCIENCE IN ENGINEERING MANAGEMENT

The Master of Science in Engineering Management (MEM) prepares engineers to lead technology-driven organizations and manage complex systems. It integrates engineering expertise with management, decision science, optimization, project leadership, and innovation.

For more details, check the program page

MASTER OF SCIENCE IN BUSINESS ANALYTICS

The Master of Science in Business Analytics (MSBA) program prepares students with knowledge, tools, and skills to analyze big data, to make effective business decisions, improve performance, create shared value, and enable the digital transformation from basic to smart organizations. Students will learn data analytics processes including managing, modelling, analyzing, visualizing, and how to recommend solutions to a wide range of challenges.
